

Regional Jet is one of the biggest capacity providers in Europe, focused on long-term ACMI contracts with Major European airlines. Based in Tallinn, Estonia, established in 2015 is currently owned by Nordica and LOT Polish Airlines. Regional Jet is operating a fast-growing fleet of modern CRJ700/900, ATR72-600 aircrafts and is in the process of introducing Embraer 190/195s for long term ACMI operations.

To assist with this, we seek to fill the role of **Chief Pilot CRJ** to be based in Tallinn, Estonia. For this role we are seeking an experienced pilot who, in addition to their operational expertise on the aircraft, also has strong technical knowledge, management ability, leadership skills, and business

CHIEF PILOT – CRJ-700/900

Requirements:

- > CRJ700/900 Type Rating
- > Experienced in crew management
- > Negotiating skills
- > Goal-oriented thinking
- > Excellent interpersonal skills and ability to operate independently
- > Training skills
- > ICAO – at least level 4 (English)
- > Licence – valid EASA
- > Medical – class 1
- > Right to live and work in EU countries

Offer:

- > Base – Tallinn
- > Employment Contract – with employment leasing service agencies
- > Roster – according to EASA FTL
- > Vacation – annual 28 calendar days
- > Accommodation – not provided
- > Exciting opportunity to take part in building up and developing a new and innovative airline

Is an advantage:

- > TRI / TRE qualification
- > Experienced in similar role
- > Administration of Operations Manuals

Be part of a growing airline, send your CV at cv@regionaljet.ee with the note “CRJ Chief Pilot”. Looking forward to welcoming you on board!

Please be advised that only those candidates shortlisted will be contacted.
